Information about the COBRA Register and COBRA

COBRA REGISTER

The COBRA Register is an official City publication. The COBRA Register acts as a temporary supplement to the Code of Baltimore Regulations Annotated. Any change to the text of regulations published in COBRA must first be published in the COBRA Register.

CODE OF BALTIMORE REGULATIONS ANNOTATED (COBRA)

COBRA is the official compilation of all regulations issued by agencies of the City of Baltimore. The COBRA Register serves as COBRA's temporary supplement, publishing all proposed changes to regulations.

INCORPORATION BY REFERENCE

Incorporation by reference is a legal device by which a document is made part of COBRA by formal reference. The text of the incorporated document will not appear in COBRA, but the provisions of the incorporated document are enforceable as a COBRA regulation. Documents incorporated by reference will appear in the COBRA Register with a notice designating it as a document incorporated by reference.

PUBLIC PARTICIPATION IN THE REGULATION PROCESS

Baltimore City residents may participate in the process by which City regulations are proposed, adopted, amended, or repealed by submitting data or opinions on proposed regulations to the promulgating agency (see "Opportunity for Public Comment" section on the notice page for all proposed regulations contained in the COBRA Register).
