Telework Agreement

Employee Name: _____

Title: _____ Date: _____

Department/ Division: _____ Work Location: _____

Supervisor Name/Title: _____

Teleworking at the City of Baltimore (“City”) is the practice of working at home or another alternative work location instead of the City’s main office location. It is a work alternative arrangement that the City offers to eligible employees when it would benefit both the City and its employees.

Not all positions are suited for telework. Those positions responsible for providing in-person customer service, direct handling of secure materials determined to be inappropriate for telework by the Agency Head, or requiring on-site presence are not suited for telework. Telework is a privilege which may be granted in accordance with *AM 200-13 Telework Policy*. Determinations will be made by the Immediate Supervisor/Manager and/or the Agency Head.

Employees who telework shall adhere to the City’s policy and procedures governing telework as well as all other City policies, procedures, and guidelines, including the acceptable use of information technology. The employee is responsible for maintaining confidentiality and security at the alternate work location.

Section I: To be completed by the Employee

TELEWORK ASSIGNMENTS

Provide a brief description of the assignments or duties to be completed at the alternate location:

TELEWORK SCHEDULE

A regular telework schedule, including specific days and hours, must be established and approved by the supervisor prior to beginning a telework schedule. The employee is not to work more than the scheduled hours without advance written approval from the supervisor. The amount of time the employee is expected to work per day or per pay period will not change due to participation in the telework program.

Other circumstances may warrant approval of temporary telework use. Temporary telework may be approved for situations including, but not limited to: (1) recuperation from an injury or illness; (2) emergency weather-related conditions; (3) special work assignment(s) requiring an extended period of uninterrupted time; or (4) other circumstances deemed appropriate by the Agency Head. Because temporary telework is often by its nature not predictable, a pre-set schedule may not be appropriate or necessary.

The employee will telework:

Therefore, the City will continue to be liable for job-related accidents of employees that occur in the alternate work location during the employee's working hours. Workers' compensation liability is limited to the designated work space as opposed to all areas of the alternate work location. A photograph of the alternate location must accompany this signed agreement.
